

CNRMA TRAFFIC SAFETY TRAINING

Commander Navy Installations (CNI) has awarded a contract to BMT Designers and Planners for the implementation of the Navy's Traffic Safety and Recreational Off-Duty Safety (RODS) programs. Traffic Safety and RODS training is an important aspect of these programs. **This training is coordinated and managed by the respective CNRMA Public Safety installation's safety office.** Instructors from BMT provide training in various topics. Below is a brief synopsis of the training courses currently offered:

Basic Rider Course (BRC) - Motorcycle Safety Course, (16 hours, 2 days). Motorcycle Safety Foundation (MSF) approved course. Mandatory for all active duty personnel who operate motorcycles on- or off-base, on- or off-duty, on- or off-road and civilian employees operating on-base. A valid motorcycle operator's endorsed driver's license is required to sign up.

Experienced Rider Course (ERC) – Motorcycle Safety Course (5 hours, 1 day). Motorcycle Safety Foundation (MSF) approved course. **Successful completion of BRC is required.**

American Automobile Association/Driver Improvement Program (AAA/DIP) (8 hours, 1 day). Classroom instruction in traffic safety designed to establish and reinforce a positive attitude toward safe driving. This course is mandatory for (1) military and DOD civilian personnel who, while driving a Government Motor Vehicle (GMV), were involved in a crash on- or off-base; (2) personnel operating a GMV or Personal Motor Vehicle (PMV) who have been convicted of a serious moving traffic violation (i.e., reckless driving, driving while intoxicated, speeding, following too closely, failure to yield).

****Customer Requested - General Traffic Safety/RODS Presentations (CR) (1-2 Hours) . Presentations in various traffic, holiday and recreational safety topics are available upon customer request. Contact the CNRMA Regional Traffic Safety Coordinator, Dave Hammer at (757) 444-7123, DSN: 564, david.hammer@navy.mil for additional information.**
